

Turner Scientific, LLC

Privacy Policy

1. Terms

By accessing this form, you are agreeing to be bound by these Terms and Conditions of Use set forth by Turner Scientific, LLC ("Turner Scientific"), applicable laws and regulations and their compliance. If you disagree with any of the stated terms and conditions, you are prohibited from using or accessing this site. The materials contained in this site are secured by relevant copyright and trademark law.

2. Use License

Permission can temporarily download one duplicate of the materials (data or programming) on Turner Scientific's site for individual and non-business use only. This is the only a permit of license and not an exchange of title, and under this permit you may not:

- modify or copy the materials;
- use the materials for any commercial use, or for any public presentation (business or non-business);
- attempt to decompile or rebuild any product or material contained on Turner Scientific's site;
- remove any copyright or other restrictive documentations from the materials; or
- transfer the materials to someone else or even "mirror" the materials on another server.

This permit might consequently be terminated if you disregard any of these confinements and may be ended by Turner Scientific whenever deemed. After permit termination or when your viewing permit is terminated, you must destroy any downloaded materials in your ownership whether in electronic or printed form.

3. Disclaimer

The materials on Turner Scientific's site are given "as is". Turner Scientific makes no guarantees, communicated or suggested, and thus renounces and nullifies every single other warranty, including without impediment, inferred guarantees or states of merchantability, fitness for a specific reason, or non-encroachment of licensed property or other infringement of rights. Further, Turner Scientific does not warrant or make any representations concerning the precision, likely results, or unwavering quality of the utilization of the materials on its Internet site or generally identifying with such materials or on any destinations connected to this website.

4. Constraints

In no occasion should Turner Scientific or its suppliers subject for any harms (counting, without constraint, harms for loss of information or benefit, or because of business interference,) emerging out of the utilization or powerlessness to utilize the materials on Turner Scientific's Internet webpage, regardless of the possibility that Turner Scientific or a Turner Scientific approved agent has been told orally or in written of the likelihood of such harm. Since a few purviews do not permit constraints on

inferred guarantees, or impediments of obligation for weighty or coincidental harms, these confinements may not make a difference to you.

5. Amendments and Errata

The materials showing up on Turner Scientific's site could incorporate typographical, or photographic mistakes. Turner Scientific does not warrant that any of the materials on its site are exact, finished, or current. Turner Scientific may roll out improvements to the materials contained on its site whenever without notification. Turner Scientific does not, then again, make any dedication to update the materials.

6. Links

Turner Scientific has not checked on the majority of the forms or links connected to its LinkedIn profile and is not in charge of the substance of any such connected webpage. The incorporation of any connection does not infer support by Turner Scientific of the site. Utilization of any such connected site is at the user's own risk.

7. Site Terms of Use Modifications

Turner Scientific may update these terms of utilization for its website whenever without notification. By utilizing this site you are consenting to be bound by the then current form of these Terms and Conditions of Use.

8. Governing Law

Any case identifying with Turner Scientific's site should be administered by the laws of the country of the United States and the state of Illinois without respect to its contention of law provisions.

General Terms and Conditions applicable to Use of a Form.

Privacy Policy

Your privacy is critical to us. Likewise, we have built up this Policy with the end goal that you should see how we gather, utilize, impart and reveal and make utilization of individual data. The following blueprints our privacy policy.

- Before or at the time of collecting personal information, we will identify the purposes for which information is being collected.
- We will gather and utilize individual data singularly with the target of satisfying those reasons indicated by us and for other good purposes, unless we get the assent of the individual concerned or as required by law.
- We will only hold individual data the length of time needed for the satisfaction of those reasons.
- We will gather individual data by legal and reasonable means and, where fitting, with the information or assent of the individual concerned.

- Personal information is important to the reasons for which it is to be utilized, and, to the degree essential for those reasons, will be exact, finished, and updated.
- We will protect individual data by security shields against misfortune or burglary, unapproved access, divulgence, duplicating, use or alteration.
- We will promptly provide customers with access to our policies and procedures for the administration of individual data.
- We are focused on leading our business as per these standards with a specific end goal to guarantee that the privacy of individual data is secure and maintained.
